## What schools say about us

*"Justin visiting the school gave us the focus to concentrate on the meeting, gather the staff and PTA together and really discuss and reignite our spark! We now have a plan, motivated staff, some volunteers and a focus for how to take this forward!"*

*Justin is approachable and always keen to help in person or on the phone. We are now looking at "when" rather than "if" we get the money for our project."*

**Natalie Jamieson, School Business Manager,  
Highwoods Primary School**

*"Justin's support has been invaluable; his knowledge and experience around bid writing is second to none. I would highly recommend Justin for his services and professionalism, you will not be disappointed!"*
